## INTRO:

## VERSE 1:

| A | E | B |

Darkness fell when Light hung his head

| A | E | B |

Trembling earth, Creation watched and wept

| A | E | B |

The One who frees captives now caught

| A | E | B |

The battle lost, criminal he hung on a cross

||: E | | E | | :||

## VERSE 2:

| A | E | B |

This man, the Son of God, laid to rest

| A | E | B |

Tear soaked linens wrapped him in new dress

| A | E | B |

Buried deep in tomb newly hewn

| A | E | B |

The stone sealed shut, hope now buried too

## CHORUS:

| E | | | F#m | E/G#

But the King had one more move, breaking forth from glorious tomb,

| A | C#m | B |

Death fell defeated as Jesus triumphantly stood

| E | | | F#m | E/G#

The King had one more move, night turned dawn as life renewed

| A | C#m | B |

Jesus the victim now victor he rose up anew

**VERSE 3:**

| A | E | B |

Darkness still weighs upon our hearts

| A | E | B |

The Kingdoms fullness leagues and light years off

| A | E | B |

Abundant goodness, Pain pumps doubt within

| A | E | B |

Hurt we cry, Jesus, come Lord again

**CHORUS:**

| E | | | F#m | E/G#

But the King has one more move, breaking forth from glorious tomb,

| A | C#m | B |

Death fell defeated as Jesus triumphantly stood

| E | | | F#m | E/G#

The King has one more move, night turned dawn as life renewed

| A | C#m | B |

Jesus the victim now victor he rises anew

**BRIDGE:**

| A | E | B |

Weak, we think your voice is lost

| A | E | B |

Silence stopped, death's grip now exhaust
